**RE: Planned EDI Maintenance Window on May 15, 2007**

---

Dear Valued Customer,

Pacer Stacktrain will have a planned EDI maintenance window on Tuesday, May 15, 2007, for approximately two hours beginning 05:00 PDT; 07:00 CDT; 08:00 EDT. This will impact all inbound and outbound EDI between Pacer Stacktrain and the following rail carriers: Union Pacific, KCSM and CSX.

During this time, all orders submitted by customers via fax, website, and EDI will be captured and stored, then transmitted to these rail carrier immediately upon conclusion of the maintenance window.

Please note that tracking and tracing information will not be updated until the conclusion of the maintenance window. All other applications on our website will be minimally impacted.

Customers are encouraged to submit any rail billing at least two hours prior to the start of the maintenance window.

We appreciate your business.
