RE: Announcing New 53' Service Between Charlotte, NC and Laredo, TX, Effective June 4, 2007

Dear Valued Customer,

In an effort to better serve you, Pacer Stacktrain is continuing to add new service origins and destinations. We are pleased to announce that effective June 4, 2007 we will be offering service between Charlotte, NC and Laredo, TX. This service is for 53' 110" and 53' 107" equipment. Ramp-to-ramp pricing is the same for both equipment sizes and the FAK rates are provided below.

<u>Origin Ramp</u>	<u>Destination Ramp</u>	<u>FAK Rate</u>
Charlotte, NC	Laredo, TX	\$1,450
Laredo, TX	Charlotte, NC	\$1,475

For Mexico bound freight from Charlotte, Pacer Stacktrain offers PacerMex Door that enables your container to be off-loaded in Laredo for Pacer to move it across the border and then move it by truck to the delivery point in the interior of Mexico. We also offer PacerMex One-Stop that enables your container to be off-loaded in Laredo for Pacer to move it across the border to the KCSM rail ramp in Nuevo Laredo for movement by rail to San Luis Potosi or Cuautitlan. Check our website or contact your Sales Representative to learn about these services.

Should you need to move into or out of Mexico, we strongly encourage you to review our Mexico Guide posted on our website at www.pacerstack.com. It is a comprehensive downloadable document that provides instructions, helpful hints and examples of forms required for doing cross-border business. Prior to moving your first load into or out of Mexico, we suggest you call Alejandro Rodriquez in our Laredo office to discuss the details.
