Re: Closure of Sacramento Ramp, Effective November 30, 2007

Dear Valued Customer,

Pacer Stacktrain announces the closure of our Sacramento, CA ramp.

Effective November 30, 2007, Pacer Stacktrain will no longer offer service to or from our Sacramento ramp.

Due to this change, please note:

- The final day to tender Westbound loads destined to the Sacramento ramp is Tuesday, November 20th.
- The final day to tender Eastbound loads, or to pick-up or return empty equipment at the Sacramento ramp is Friday, November 30th.
- Any empty equipment not returned to the Sacramento ramp by November 30th will need to be returned to the Stockton container yard. Existing per diem rules will still apply.

Customers currently using the Sacramento ramp service are encouraged to work with their Pacer Stacktrain Business Development or Pricing representative to answer any questions regarding this transition.

We appreciate your business.
