Re: Change in Location of Container Depot in Cleveland, OH

Dear Valued Customer:

Effective November 1, 2007, empty containers in the Cleveland, OH area should be terminated at ContainerPort Group's new depot on 131st Street instead of terminating the empty at the St. Clair Avenue depot.

Effective December 1, 2007, all empty containers will be dispatched and terminated at the new facility, and Pacer will no longer utilize the St. Clair depot at all.

The new facility serves 20', 40', 45', 48', and 53' containers. It is the closest major depot to the CSX Intermodal facility in Cleveland and has easy access to I-90 at the Eddy Road exit. The 20 acre depot is a bonded, secured location providing container stacking 4 high, load transfers, and chassis stacking/unstacking.
