

PNW Generic Grass Seed and Canned Seafood Quote Codes

Effective Sunday, December 9, 2007, Pacer Stacktrain will reinstate its process for billing Portland and Seattle originating Generic Grass Seed and Canned Seafood commodities. Current PSQs for these commodities will be cancelled and replaced with 1000G (Various Grass Seed) or 1000S (Various Canned Seafood) respectively.

To ensure the correct rate is applied, billing must reflect:

PSQ 1000G and commodity code (STCC) starting with 0115 for grass/lawn seed

PSQ 1000S and commodity code (STCC) starting with 2031 for canned seafood

To obtain the Generic Grass Seed and Canned Seafood rate levels, please consult the Pacer Stacktrain website to access the downloadable FAK spreadsheet containing listings for 1000G and 1000S on or after the announced effective date. FAK rates can be accessed at www.pacerstack.com/login/log_in.html by Pacer Stacktrain contract holders with a Pricing login User ID and Password.

If you have questions regarding this announcement, please consult your Pacer Stacktrain Business Development or Pricing Representative.

We appreciate your business.
