

Per Diem Relief Program, Effective December 17, 2007

Dear Valued Customer,

Pacer Stacktrain is pleased to announce our per diem relief program that grants additional free days to allow more time for customer loading and for street turning equipment. The program is effective for equipment that is notified or goes outgate December 17, 2007 through January 31, 2008.

Four additional free days will be added to our standard free time allowance for load to load (L/L) scenarios, and two additional days will be added to our standard free time for all empty to load (E/L) scenarios. This additional free time is only applicable for the following locations:

- * Chicago
- * Charlotte
- * Atlanta
- * Baltimore
- * Boston
- * Harrisburg
- * Kearney
- * Philadelphia
- * All West Coast States – (California, Washington, Oregon, Utah)
