

Memorial Day Holiday Operations Plan

Dear Valued Customer,

In observance of the Memorial Day Holiday on Monday, May 26, 2008, Pacer Stacktrain will operate as outlined in the holiday plan below:

Pacer Stacktrain services operating with volume tendered to the network prior to the Memorial Day weekend will continue to operate through to destination but may be delayed 24-36 hours as our underlying rail carriers will attempt to minimize rail network operations so that crew members may observe the holiday with their families.

Those services with scheduled arrival and availability on Memorial Day may be delayed 24 hours at the destination terminal.
