

New Container Yard in Fontana, CA for Empty Containers From Pacer's BNSF San Bernardino Service, Effective June 4, 2008

Dear Valued Customer,

To support our BNSF San Bernardino Service, Pacer Stacktrain is pleased to announce our new container yard in Fontana, CA. This container yard is only to be used for the return of empty containers generated from inbound (westbound) loads from our BNSF San Bernardino service.

Empty containers that have been generated from inbound loads moved via UPRR or BNSF to Los Angeles or City of Industry ramps, may not be terminated at this facility and must be terminated at our Metro container yard; any diversion from this will result in a \$275 penalty.

We will dispatch equipment when available out of our new Fontana container yard through our normal equipment reservation process.

Operations at our new container yard will open at 08:00 PT on Wednesday June 4th at the Logistics Terminal, Inc. The address, phone and fax numbers, and hours of operation are shown below.
