Announcing 53' 110" Service on the BNSF out of Phoenix, AZ, to Chicago and the Northeast, Effective Monday, October 13, 2008

Dear Valued Customer:

In our ongoing efforts to better serve you, Pacer Stacktrain is continuing to add new service origins and destinations on the BNSF rail network. We are pleased to announce that effective Monday, October 13, 2008, we will be offering service out of Phoenix, AZ to Chicago and beyond to locations in the Northeast. This COFC service is for 53' 110" equipment only. (53' 107" and 48' equipment will not be supported). Should the incorrect size of equipment be utilized, the customer will be responsible to cover additional charges such as: additional drays, flips, transloading into 53' 110" equipment prior to shipment, etc. Ramp-to-ramp pricing, cut-offs and arrival day and time are provided below. Empty containers for loading can be picked up at the J & L Transportation Inc. container yard (see information under the chart for J & L Transportation's contact information).

Please be aware that the container yard is only for dispatches. Empty returns will not be accepted.
