Dear Valued Customer,

Pacer Stacktrain is pleased to announce the implementation of extended free time beginning December 19, 2008 and extending through January 4, 2009.

This extended free time will be applicable at all origin and destination locations.

For customers that are billed on a transactional basis, these days will be added as additional free/holiday days. On equipment that is outgate prior to December 19, 2008, the per diem clock will be suspended during this timeframe, and will start back up on January 5, 2009.

For customers that are participating in our incentive per diem program, any movement that falls within this timeframe, will be excluded from your customer day calculation.
