Electronic Bulletin No. 106

EMPTY CAPACITY PROGRAM FOR

SOUTHERN CALIFORNIA

As an update to our Stack Facts bulletin No. 101 on September 11th, effective Wednesday September 27th Pacer Stacktrain will implement our Empty Capacity Program for Southern California. All current, as well as future capacity in Los Angeles will be offered under this program through the existing reservation process. Pacer will offer to the IMC this capacity on wheels at either Becker Yard or Container Care. Rather than the \$425 previously announced the cost of this capacity will be \$200 per container regardless of size. This cost is subject to change in the future and we will provide a one-day advance notice of the effective date of changes in this cost.
