Electronic Bulletin No. 168

## ***TEMPORARY CHANGE IN ATLANTA-HULSEY CUTOFF TIME FOR VOLUME DESTINED FOR THE PACIFIC NORTHWEST AND NORTHERN CALIFORNIA***

To our Valued Customers:

Due to a track work project on the CSX Railroad between Atlanta and Memphis, the cutoff time at Atlanta has been temporarily revised from 2100 to 1900. This will be in effect from April 2, 2001 until May 25, 2001. This will insure a positive, next day connection in Memphis to the Union Pacific.

This track work project on the CSX Railroad is necessary to insure the long-term, continued improvement in the quality of our service supporting your business in the Southeast.

Please advise all appropriate personnel of this revision.

We thank you for your continued support and for choosing Pacer Stacktrain.
