Update to Empty Capacity Program for Southern California

As an update to our August 13, 2001 Stack Facts # 225 Pacer Stacktrain would like to advise that due to market conditions we will continue to reserve equipment under this program, but at a Daily Fluctuating Price Level. The price will be set each day and may change on a daily basis depending on availability and demand. Equipment availability will be evaluated every morning and a decision will be made as to what the rate will be for that day. Pacer will continue to offer this capacity on wheels at either the Becker Yard, Container Care and various Southern California Ramp locations.

To obtain the daily rate level and equipment availability please contact the following:

Yesenia Diaz (714) 429-7142

Eva Wong (714) 429-7141

Mark Papac (714) 429- 7144

Or contact your Pacer Stacktrain sales Representatives.
