Change in Boston to Chicago and West Coast Cutoffs

To our Valued Stacktrain Customers:

In an effort to improve service from Boston to Chicago and the West Coast, the CSX has implemented the following change effective November 26, 2001.

The gate cutoff time at Boston for volume destined to Chicago and the West Coast will change from 1900 to 1800 daily. The availability's for above mentioned volume will not be affected due to this change.

Please advise all appropriate personnel and your draymen of this change. If you have any questions regarding this matter, please contact your local Customer Support or Sales Representative for Pacer Stacktrain.

Thank you for choosing Pacer Stacktrain.
