

PACER STACKTRAIN

NEWS ALERT

January 28, 2002
Electronic Bulletin No. 265

UPRR Track Maintenance "Sunset Corridor Blitz"

To Our Valued Customers:

Due to an extensive Maintenance of Way project on the Union Pacific Railroad between Yuma and Tucson, Arizona Pacer Stacktrain services operating in lanes:

Between Los Angeles and the Southwest and Southeast

and -

Between City of Industry and Chicago via El Paso will be delayed 8-12 hours.

This track work will occur from January 28 through March 2002.

This major track work project on the UP Railroad is necessary to insure the long term, continued improvement in the quality of our service supporting your business. It involves replacement of rail and ties and addition of some new double track segments.

Please advise all appropriate personnel of these delays and revised schedules.

We thank you for your continued support and for choosing Pacer Stacktrain.
