RE: Possible Port of Oakland Disruption

POSSIBLE PORT OF OAKLAND DISRUPTION

The Port of Oakland and the Oakland, CA police have information that anti-war protesters are going to stage an event at the Port of Oakland, Monday, April 7.

Due to the close proximity of the rail ramp to the ports, there may be delays to the trucking community relating to arriving and leaving the Union Pacific Rail ramp.

Oakland police will set up a command center on the UPRR property and will monitor the group's activity.
