RE: Memorial Day Operating Plan

Dear Valued Customer:

In observance of Memorial Day, Pacer Stacktrain services with a scheduled cut off of Monday May 26th, 2003 will not operate.

Pacer Stacktrain services operating with volume tendered to the network prior to the Memorial Day weekend will continue to operate through to destination with 8-15 hour delays as the Union Pacific and CSX will attempt to minimize rail network operations so that crew members may observe the Holiday with their respective families.

Those services with scheduled arrival and availability on Memorial Day will be delayed 24 hours at arrival terminal due to the Holiday operating schedule.

The Union Pacific and CSX railroads have published specific terminal operating hours for the Holiday; however, most rail terminals supporting the Pacer Stacktrain network will be closed.

If you have any questions regarding the Memorial Day Holiday Operating plan, please contact your local Pacer Customer Support or Business Development Representative regarding specific terminals or Pacer Stacktrain Services.

Thank you for your continued patronage and enjoy the Holiday!
