

PACER STACKTRAIN

NEWS ALERT

March 14, 2000
Electronic Bulletin No. 46

Temporary Change in Southeast Service Scheduling

Bruceton Track Maintenance Curfew

Please note, volume tendered to Pacer at Atlanta on Monday that is routed through the Memphis gateway destined to Portland, Seattle, Oakland and Stockton will experience an additional day in transit time. This affects Pacer train ALWC31. This is due to a major track work project on the CSX between Atlanta and Memphis which will be completed on April 1.

Please advise all appropriate personnel of the temporary change in availability. We apologize for any inconvenience you may experience as a result of this track work project. If you have any questions regarding this matter, contact your local Customer Support or Sales Representative for Pacer Stacktrain.

Thank you for choosing Pacer Stacktrain.
