RE: Changes at CSX Charlotte Terminal

Effective 1/23/04, CSX will discontinue the shuttle of loaded equipment to the Rozelles Ferry yard. All loaded equipment discharged at CSX's Intermodal Terminal in Charlotte (Hovis Yard) will be available for pickup at the terminal. The loads prior to 1/23/04 will remain at Rozelles Ferry and should be dispatched from there. If the situation arises that Hovis becomes congested CSX will utilize Rozelles Ferry yard. The fax notification will indicate the location, I lot indicates Hovis Yard or CY for Rozelles Ferry.

Rozelles Ferry will be utilized for all empty equipment. Pick up and empty returns will be performed at Rozelles Ferry with the exception of empties that are to be billed for rail shipment. They are to be returned to Hovis Yard with sufficient billing.
