RE: New Pacer Stacktrain Services - Between Dallas, TX and US Midwest and Northeast Markets

Pacer Stacktrain is expanding its services to provide customers with alternative intermodal service options between Dallas and principal markets in the Midwest and Northeast. These new products will enable our IMC customers to offer truck/rail/truck or door-to-door delivery of general merchandise freight to key US locations.

Ramp-to-ramp FAK rates and cargo availability times are provided below. This new service will be available effective Friday, January 23, 2004.

Pacer Stacktrain will review requests for PSQs when complete PSQ information is requested through the Pacer Stacktrain Pricing Department. Please contact your local Pacer Stacktrain Business Development representative for additional details.
