RE: CN Union Rail Strike Update

CN and the Canadian Auto Workers (CAW) union have announced a ratification of the vote taken this week. The labor action that began February 20 is now considered settled, and the agreement reached between the parties has been made retroactive to January 1, 2004. CAW-represented shopcraft, clerical and intermodal employees are scheduled to return to work on the first daylight shift Saturday, March 20.

Pacer Stacktrain customers shipping freight westbound from Toronto and Montreal remain subject to the normal CN reservation/IMX policies effective December 8, 2003.
