RE: Pacer Stacktrain "on terminal" per diem relief in Northern California

Pacer Stacktrain "on terminal" per diem relief in Northern California

Pacer Stacktrain has made a decision to grant limited relief of per diem charges incurred by Motor Carriers due to the refusal of owner operators to pick up loads at the Union Pacific rail terminals in Lathrop and Oakland as well as at Pacer Stacktrains' paper ramp in Sacramento.

Pacer Stacktrain will waive all "on terminal" per diem charges incurred at these terminals for loads that are outgated from 4-29 through 5-6. Once a container has been outgated, regular per diem rules will commence. The outgate will act as a "new" notification of availability and any free time will commence on the next day according to our Per Diem rules addendum to the UIIA.
