Re: ICTF Service Revision

Distribution:

In a further effort to reduce overall congestion at the UPRR East Los Angeles, CA intermodal ramp during peak season, effective Tuesday, July 20, 2004, all Eastbound and Westbound International container traffic billed to / from Denver, Salt Lake City or Council Bluffs (Omaha) will be moved to it's ICTF (Long Beach) intermodal ramp. Pacer Stacktrain will not require any billing changes to accommodate this change.

Eastbound Domestic container traffic will continue to be moved from our East Los Angeles, CA intermodal ramp. No change required. Westbound Domestic container traffic will be moved to Montebello, CA as per previous communication.

If you have specific questions, please direct them to your local Pacer Stacktrain Business Development Representative.

Thank you for shipping, Pacer Stacktrain.
