Re: Labor Day Holiday Plan

Dear Valued Customer:

In observance of Labor Day Holiday, Pacer Stacktrain services with a scheduled gate cutoff on Monday, September 6, 2004 will not operate.

Pacer Stacktrain services operating with volume tendered to the network prior to the Labor Day Holiday will continue to operate through to destination with 12-24 hour delays as the Union Pacific and CSX railroads attempt to minimize rail network operations so that crew members may observe the Holiday with their respective families.

Those services with scheduled arrival and availability on Labor Day will be delayed 24 hours at arrival terminal due to the Holiday operating schedule.

The Union Pacific and CSX have published specific terminal operating hours for the Holiday; however, most rail terminals supporting Pacer Stacktrain will be closed.

If you have any questions regarding the Labor Day Holiday operating plan, do not hesitate to contact your local Pacer Customer Support or Business Development Representative regarding specific terminals or Pacer Stacktrain services.

Thank you for choosing Pacer Stacktrain and enjoy the Holiday!
