Re: ICTF overflow to be drayed to Cal Cartage Started 08-28-04

ICTF overflow to Cal Cartage

ICTF is leasing property from Cal Cartage approximately 1/2 mile down the street. UPRR will dray inbound loads from ICTF to Cal Cartage. Procedures for picking up container in this lot are exactly the same as they are at ICTF. If any container is showing a lot location of CCC direct drivers to that overflow lot. UPRR advised they will utilize this overflow CY approximately 60days.
