CSX No Bill/No Ingate Policy

Dear Customer:

In an effort to minimize the problems with congestion at the CSX rail terminals, Pacer Stacktrain in conjunction with CSX will implement a "No Bill No Ingate Policy". This policy will first be tested at the Boston, MA ramp effective Monday, April 24. The test will run for a period of two weeks. When it has been determined that there has been a successful implementation of this policy with Boston, we will expand to additional CSX terminals, to be announced at a later date.

The hours of operation for the Boston ramp are:

Mon - Fri	0500 - 2300
Saturday	0600 - 1400
Sunday	0800 - 1600

As a reminder, please allow one hour for your billing to be processed prior to the trucker arriving at the gate.

Should you experience any problems getting a driver in the gate, please contact Pacer Stacktrain Memphis Billing Department at (901)-684-7370.
