Re: Chicago - IMX closure

To Our Valued Customer:

Effective Monday, December 27, 2004, the UPRR will close it's Chicago IMX terminal thereby canceling service that currently operates to and from the UPRR's Chicago IMX intermodal facility.

The following lanes will be impacted:

City of Industry - Chicago IMX

Effective Monday, December 27, 2004, all volume that was moving between City of Industry and Chicago IMX will be now domiciled at UPRR's Chicago Global 1 intermodal facility. In an effort to facilitate this terminal change, some changes to current service parameters will be revised as indicated below:
