Re: Embargo Update – Per Diem Relief Update

Dear Valued Customer,

The UPRR Embargo on **Intermodal** service from the Los Angeles area for **eastbound** traffic was lifted today, February 4th. The only exception is from the City of Industry ramp to local Chicago ramps. We expect the City of Industry-Chicago lane embargo to end on February 8th.

This notice is to advise all customers that effective Monday February 7th, all empty containers picked up at our CY's and all inbound loads will be subject to our normal Free Time and Per Diem rules.

We at Pacer Stacktrain would like to thank all of our customers for their patience and support during this very difficult, but unavoidable, disruption in our services.

If you have questions regarding this announcement, please contact your local Pacer Stacktrain Business Development Representative.
