**Re: UPRR Gate Reservation System Expansion**

---

Dear Valued Customer:

Union Pacific has recently announced the expansion of their Gate Reservation System. Today, the Gate Reservations System covers traffic in three lanes:

- LATC - Portland (Brooklyn)
- LATC - Seattle
- LATC - Oakland

The expansion will occur on May 3, 2005 and will include the following Pacer Stacktrain lanes:

- LATC - Houston
- LATC - New Orleans
- Portland (Brooklyn) – LATC

Pacer Stacktrain customers should request in-gate reservations for these lanes beginning on May 2. Customers will be required to have a reservation prior to tendering a container for these lanes beginning on May 3. Shipments without a reservation on May 3 will be rejected at the gate.

Pacer Stacktrain customers who require in-gate reservations should request them by contacting Pacer Stacktrain via email before 9:30 AM Pacific Time on the business day (M-F) before desired gate cut-off date to request in-gate reservation(s).

- Domestic customers should send email to: **gaterez@pacerstack.com**
- International customers should send email to their West Coast Ocean Carrier Services Customer Support Representative

**Please note** that reservations for Saturday, Sunday, or Monday gate cut-offs must be received by **Friday** morning.

More information about the procedures for in-gate reservations can now be found on our website at: [http://www.pacerstack.com/services/services\\_notlogged\\_faq.html](http://www.pacerstack.com/services/services_notlogged_faq.html)

The Union Pacific has also announced their intention to implement the Gate Reservation Program system-wide by peak of 2005. We will continue to provide updates via Stack Facts whenever this roll-out affects your shipments with Pacer Stacktrain. If you have questions about in-gate reservations procedures, please contact Un Kim (714-450-1413) or your Business Development Representative.

Thank you for your business.
