Re: Change to Request Procedure for UPRR Gate Reservations for CDY

Dear Valued Customer:

Effective immediately, customers requesting in-gate reservations for City of Industry (CDY) must specify one of the following as the destination point:

- Chicago Local (Global 1)
- Chicago—Rochelle, IL (Global 3)
- Chicago Interchange to CSX

*(All Northeast, Ohio Valley, & Eastern Canada destinations**)*

- New Orleans Interchange to CSX

*(All Southeast destinations**)*

*** For a complete detailed listing of all of the lanes in the program, please refer to Appendix A of the In-Gate Reservations FAQs on our website:*

http://www.pacerstack.com/services/services_notlogged_faq.html

This is a change from previous instructions. Customers must now separate requests for Chicago Local (Global 1) traffic from requests for Chicago traffic bound for CSX Interchange destinations.

More information about the procedures for in-gate reservations can be found on our website at: http://www.pacerstack.com/services/services_notlogged_faq.html

If you have questions about in-gate reservations procedures, please contact Un Kim (714-450-1413) or your Business Development Representative.

We appreciate your business.
