Re: Norcal to Houston Service Change

Dear Valued Customer:

In an effort to provide more consistent and reliable service from Oakland and Lathrop (including Sacramento) to Houston, TX the following service enhancements will take effect immediately:

Oakland

Cutoff 2359 Day 0
Frequency Saturday, Monday, Wednesday
Availability 0800 Day 6

Lathrop

Cutoff 1000 Day 0
Frequency Sunday, Tuesday, Thursday
Availability 0800 Day 5

Given the small amount of Eastbound volume operating from Lathrop to Houston, the UPRR will **cancel** Lathrop to Houston service effective July 1, 2005. The Oakland train service will remain as described above.

If you have any questions, please contact your local Business Development Representative.

We appreciate your business.
