Re: Cancellation of Sacramento Small-box Service

Dear Valued Customer,

Due to continuing and growing operational constraints, Pacer Stacktrain will cancel our inbound small-box service to Sacramento, CA from all origins, effective Friday, October 28, 2005. This applies to 20', 40', and 45' containers.

Pacer Stacktrain had previously canceled small-box service to Sacramento from Chicago and all northeast points interchanging through Chicago. Now, we must complete and clarify the cancellation by terminating all inbound small-box service to Sacramento from all origin points. We will continue to service small boxes at Oakland, CA, for those customers who require a northern California option.

This change affects small-box service only. Big box (48' and 53') service to Sacramento, CA remains as is.

If you have questions regarding this change, please contact your Business Development or Customer Support representative.

We appreciate your business.

Pacer Stacktrain
