Re: Avondale Ramp

Dear Valued Customer:

The Union Pacific Railroad has announced that effective immediately, they have opened their Avondale Intermodal Facility to handle Domestic and International local traffic only. All interline destinations to Florida and beyond to the southeast will continue to be rerouted over Salem, St. Louis or Memphis gateways from UPRR origins. Avondale has electricity, however they expect computers and telephones will not be operational until sometime in November. Please note that Mobile and Gentilly continue to be embargoed.
