Re: Salt Lake City Gate Closure

Dear Valued Customer:

Effective immediately and until further notice, the Union Pacific Railroad advises us that as a result of extreme congestion their gate for receiving inbound volume at the Salt Lake City Ramp will be closed to all customers.

The gate will remain open for customers picking up their volume to outgate. We strongly encourage our customers to pick up their outbound volume as soon as possible to help mitigate the congestion.

Please contact your Pacer Stacktrain Business Development Representative with any questions.

We appreciate your business.
