Re: Salt Lake City Per Diem Relief

Dear Valued Customer,

Pacer Stacktrain has made a decision to grant limited relief of per diem charges incurred by our customers due to the closure of the Salt Lake City ramp.

Additional free time will be given for all units that are currently outgate or units that outgate during the time the ramp is closed, but could not be returned to the Salt Lake City ramp. The additional free time will be from November 30, 2005 until the date the ramp re-opens for units currently outgate. For units that outgate on or after November 30, 2005, the additional free days will be from the time of outgate until the date the ramp re-opens.

Please contact your Pacer Stacktrain Business Development Representative with any questions.

We appreciate your business.
