Re: Per Diem Relief Program

Dear Valued Customer:

Pacer Stacktrain is pleased to announce the implementation of a per diem relief program that grants additional free days allowing more time for customer loading and for street turning equipment.

- Two additional free days will be added to our standard free time allowance for empty to load (E/L) and load to load (L/L) scenarios for all equipment sizes
- Effective for equipment that goes out of the gate on or after December 15, 2005 in non-west coast states (outside of California, Washington, Oregon and Utah)
- Effective for equipment that goes out the gate on or after December 22, 2005 in west coast states (California, Washington, Oregon and Utah)
- This two additional free day program for E/L and L/L scenarios will end for equipment that goes out of the gate from all locations on or after March 1, 2006

If you have questions, we're here to help. Please contact your Pacer Stacktrain Business Development Representative with any questions regarding this program.

We appreciate your business.
