Electronic Bulletin No. 775

RE: Announcing a Change in Ramps for Traffic from Atlanta and the Southeast to Southern California, Effective June 5, 2006.

Dear Valued Customer:

Effective June 5, 2006, 20', 40' and 45' loads originating in Atlanta will use the CSX Fairburn ramp and the destination ramp in Los Angeles will now be the UP's ICTF facility. All 20', 40' and 45' loads originating in other Southeastern locations that are destined for Southern California will also use the UP's ICTF ramp.

We apologize for any inconvenience. If you have questions, we're here to help. Please consult your Pacer Stacktrain Business Development Representative. For business hours at the ramps and schedules please visit the Pacer Stacktrain web site.

We appreciate your business.
