June 7, 2006

Electronic Bulletin No. 779

Re: Updated Rules and Procedures Now Available

---

Dear Valued Customer:

**Pacer Stacktrain has refreshed its Rules & Procedures.** Most of these revisions were previously announced in Stack Facts and reflect alignment with current operating practices. Revisions are clearly marked in the updated Rules and Procedures. Revisions include updates relating to the new on-line equipment reservation system, 2006 Alameda Corridor fees, the load layover program for shipments awaiting gate reservations, our modified PacerMex services, free days for equipment used in Mexico (these changes will be effective July 15, 2006), and updated restricted and prohibited commodity lists of the participating carriers. If the revisions in the updated Rules and Procedures are not already in effect by operational practice or if the effective date is not stated in the updated Rules and Procedures, the changes shown will become effective as of June 15, 2006.

**Getting the information is easy.** The complete Information Directory, including the Rules & Procedures, is always available on our website at [www.pacerstack.com/services/](http://www.pacerstack.com/services/). Links to view and/or download the Rules & Procedures are prominently displayed. So we encourage you to visit our website to review the updated Rules & Procedures right away.

**Staying up-to-date is easy too.** Anyone can subscribe to receive our Stack Facts or other important communications. To sign up, just go to the E-Mail Alerts page under the News tab of our website.

**Everyone who deals with Pacer Stacktrain services in your organization should be informed about this update.** This includes your sales, pricing, operations, finance, and administration teams. You should also ensure that your Beneficial Cargo Owners and other customers are fully aware of the Rules & Procedures that apply to their shipments. Again, you can direct your customers or employees to [www.pacerstack.com/services/](http://www.pacerstack.com/services/) for the complete Information Directory.

**If you have questions, we're here to help.** Please contact your Pacer Stacktrain Customer Support or Business Development Representative for assistance.

We appreciate your business.
