Re: Equipment vandalism and theft

Dear Valued Customer:

Pacer Stacktrain has had a significant increase in the theft of lights and lenses from Pacer Stacktrain chassis and Pacer Stacktrain controlled chassis. In an effort to maintain competitive shipping costs and minimize any disruptions in service, we are soliciting the help of our customers and vendors to be vigilant to this issue and help us reduce the occurrence.

Pacer Stacktrain will take the immediate step of banning any driver caught removing or vandalizing any part from a Pacer Stacktrain or Pacer Stacktrain controlled chassis. For vendors involved in repeated occurrences, Pacer Stacktrain will pursue revoking their interchange agreement.

We appreciate your assistance in curbing this escalating problem and we appreciate your business.
