RE: Announcing New 53' Service to Nashville, TN from California, Oregon, Washington and Utah, Effective February 19, 2007

Dear Valued Customer:

To better serve our customers, Pacer Stacktrain is pleased to announce our new 53' service to Nashville, TN from California, Oregon, Washington and Utah, effective February 19, 2007.

This train-to-truck service uses rail linehails from the origin ramps listed below to Marion, AR with follow-on service by truck to the WW Roland's Terminal in Nashville. Notification will be made to you by WW Roland when a container has arrived in their Nashville CY. From this location you have the option at your expense to use WW Roland to make the delivery, or you can use your own drayman. Empty containers should be returned to WW Roland's Terminal.

FAK pricing by origin ramps are listed below:

| <u>Origin Ramp</u> | <u>FAK Rate</u> |
|----------------------|-----------------|
| Los Angeles (LATC) | \$1925 |
| San Diego (SAN) | \$2150 |
| Oakland (OAK) | \$2065 |
| Stockton (SCK) | \$2065 |
| Sacramento (SAC) | \$2150 |
| Portland (POR) | \$2305 |
| Seattle (SEA) | \$2305 |
| Salt Lake City (SLC) | \$1440 |

Eastbound loads discharged in Memphis by 6:00 pm will be available in Nashville and notified by 8:00 am the following day.

Westbound service is currently available for big box and/or small boxes from Nashville to all of the ramps listed above, with the exception of Salt Lake City. Please check our website for Westbound service schedules. For Westbound loads, the gate cut-off will be 5:00 pm Monday-Friday. Loads in the gate and billed by the cut-off time will be delivered to the Memphis ramp by 12:00 pm the next day for Westbound loading. Obtaining an empty can be handled through our reservation system.

Destination Ramp
WW Roland Terminal
